Da Nang Local Highlights Option: Provided by A&K Vietnam

Guests will enjoy a pre-arranged sightseeing itinerary with a Private Car and Guide to explore the following destination highlights.

A rare opportunity to visit a local farm where rice has been cultivated using the same techniques for hundreds of years.

Meet your friendly Hoianese hosts, who will introduce you to their farm, water buffalo, and kit you out in a traditional “bà ba” farming outfit before setting you to work! Participate in the entire process of rice production including plowing, raking soil, sowing seeds, grinding, and transplanting rice – your supervisors will be sure to allow you time to enjoy the beautiful surroundings, and even pose for photos with the water buffalo should you wish.

Back at the farmhouse it’s time to learn how to make white cooking rice with traditional Vietnamese methods – grind paddy with a husking mill, winnow the rice, pound and sift it. After all this hard work it’s time to relax as your hosts show you how to make rice milk and cook rice paper cakes and pancakes before enjoying the fruits of your labor in a delicious lunch.
