Colombo Local Highlights Option: Provided by Pierce & Leslie

Guests will enjoy a pre-arranged sightseeing itinerary with a Private Car and Guide to explore the following destination highlights.

You will be met by our Peirce & Leslie colleague in the Arrival Hall. They will introduce you to your chauffeur-guide and together, you will take a tour of Colombo city. The largest city of Sri Lanka, Colombo is busy and vibrant with an eclectic mix of modern architecture, colonial buildings, and ruins.

You will begin your tour by driving past a few prominent monuments and buildings – the Town Hall Building, Gangaramaya Temple, The Lotus Tower, Independence Square and a few other notable highlights. Next, you will visit the Colombo National Museum, the island's principal museum that offers a window into Sri Lanka's past.

Next, you will take a heritage walk of Colombo city and the Pettah markets. Your guide will take you through the glory days of Colombo Fort, beginning with the Dutch Hospital and continuing to the outer streets of Pettah. During your tour, you will stumble upon the Old Dutch Museum that houses many valuable Dutch colonial-era artifacts. You will also explore a handful of the many lively streets of Pettah that sell everything under the sun – from textiles to electronics to spices and so much more.

You will then visit Barefoot Gallery, the oldest contemporary art gallery in the city. Founded in 1964 by Barbara Sansoni to showcase the island's master-weavers, the gallery currently serves as a platform for artists, musicians, poets, and filmmakers. It also has a bookstore, quaint café, and a quality home store.

Note: The Colombo National Museum and the Old Dutch Museum are closed during Public Holidays.
