

# 5 Ways to See the World with Tauck

At Tauck, we believe that how you see the world matters. Whether you want to explore by land, river or sea, with your family or in a small group of like-minded adventurers, Tauck goes beyond the ordinary with extraordinary experiences that make every moment count.

## Classic Tauck Land Journeys

Classic land journeys on six continents show you the world's amazing places up close on seamlessly choreographed, fully escorted tours. Exclusive access to cultural experiences, premium accommodations, expert insights & exclusive partnerships wherever we travel.

## European River Cruising

Combining 96 years of destination knowledge and expertise with intimate cruising aboard elegant, spacious, custom-crafted riverboats. Enjoy unique access on all-included shore excursions, personal, attentive service and virtually every expense included in one upfront price.

## Tauck Bridges Family Vacations

Engaging multigenerational journeys designed for doing, seeing, and learning as a family filled with interactive fun for all ages. Just about everything is included in one upfront price: all activities, exclusive experiences, gratuities, accommodations and much more.

## Small Ship Cruising

Cultural voyages and expeditions cruise to small islands, hidden harbors and exclusive ports of call aboard vessels that are handpicked for the destination. Enjoy a choice of all-included shore excursions and a relaxed, intimate atmosphere onboard, without crowded spaces.

## Small Group Journeys

Small group journeys averaging 24 Tauck guests assure personalized service and attention, a lower guest to guide ratio, more opportunities to connect more closely with local experts, more flexibility and freedom to follow your interests, with greater access to must-see sites.
