Chania Local Highlights Option: Provided by Travelive

Guests will enjoy a pre-arranged sightseeing itinerary with a Private Car and Guide to explore the following destination highlights.

Olive & Wine

This tour will take you through scenic countryside and offer a journey in the island's farming and culinary trails with an intimate perspective of today's Crete. Visits will include an estate producing olive oil, a local winery, and a rustic family-run eatery.

Biolea, your first stop, is an ecological prototype farm cultivated by 6th generation owners that promote the traditional way of organic olive oil production – olive oil is stone milled and cold pressed. You will be guided around their premises and have an olive-oil tasting.

Continuing your exploration through a verdant landscape with orange and olive groves, you will visit a quaint winery, the realization of a lifelong dream of a Greek-American owner, who was born and raised in this small village. Escorted by an expert, you will navigate around the grounds and then taste their excellent wines, accompanied by local snacks.
